

The Circle of Swords Gaming Guild Presents:

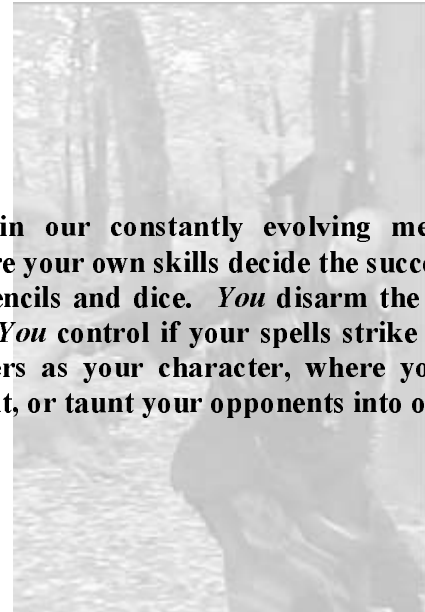

Live Action Role-Playing Game

Welcome to the realm of COSQuest, where adventure awaits those brave (or foolish) enough to seek it out! Creatures of evil and darkness roam the unsettled lands, bringing misery and death to any unfortunate enough to cross their path. Yet hope remains in the small cities of demi-humans and the heart of the civilized Human lands, the Duchy of Allwyn, and the small cities of demi-humans, which remain pillars of strength and order in a sea of chaos.

Experience role-playing in our constantly evolving medieval setting and rules set, where your own skills decide the success of your actions instead of pencils and dice. *You* disarm the traps! *You* parry the weapons! *You* control if your spells strike home! Interact with other players as your character, where you can talk your way out of a fight, or taunt your opponents into one!

Choose from over 15 popular and unique races, like Dwarves, Elves, Barbarians, Minotaurs, & Furbin. Play a basic Fighter, Rogue, or Spellcaster, or specialize even further by choosing from 30 different professions, such as Cleric, Ranger, Monk, Tomb Raider, Undead Hunter, Battleragers, and many more!

Not into combat? Converse with adventurers and townspeople in the local tavern as a Minstrel or Diplomat, or earn a living and craft goods through Alchemy, Scribing, Smithing, and more!

Become involved! COS Quest is a great creative outlet for writing storylines, developing and solving puzzles and mysteries, and building costumes and props to create an authentic environment. Become involved! Help develop storylines or simply enjoy playing as both the characters and monsters within them. Enjoy an active outdoor game and interact with people of all ages from all over the area!
