We will be having a garage sale on Sat, Aug 19th at 312 Old Plank Rd, Butler, PA 16002. Open 9am to 4pm, rain or shine (no early birds!).

Halloween and LARP/Ren Faire fans can find all kinds of goodies like cloaks, robes, masks, costumes, decorations, props, and more! There will also be more functional admin/game items such foam/PVC weapons, shields, and tabards used to note different types of NPCs or characters.

Stop out while supplies last if you're looking to pick up a few cool items to build out your costuming or bulk items to supply the plot shed for your LARP game!
