The next COS Game Day will be Saturday, December 19th from 10am to 6pm at COS HQ (Dave's house) at 312 Old Plank Road, Butler, PA 16002. There is space for 7-8 games.

All games are welcome, such as other RPG, Miniature, & Board games! Please post in the forum [here](#) if you are coming and what you would like to run/play so we know where we stand.

Remember as always we need GM's to make this work (or folks to just show up and play board games). We've also added the event to the [COS Facebook](#) page if that's easier to spread the word to friends!
