

Tis once again the season for giving....Quest Points! (and now Prestige!)

Lucas, Wednesday, Dec 21 2016 - 11:28:28

The Circle of Swords Gaming Guild again offers the opportunity for the friends and family of our members to give the gift of Quest Character Skill Points this holiday season! Starting this year, you can also gift Prestige Points as well!

Points are \$6 each, with a maximum of \$120 for 20 Points per player (not Character)!

Better start writing those letters to Santa or plan to save up some of that Christmas gift money now, because this offer ends January 31st, 2017!

Help support the gaming club you've all come to know and love while making your 2017 Quest season a little merrier!
