

New COS Gear and CafePress.com Shop Updated!

Lucas, Saturday, Jan 14 2012 - 13:23:50

Recent issues with the CafePress.com store logo have been fixed!

You can again buy COS gear sporting the official club logo, including shirts, sweatshirts, totes, bags, hats, glasses, mugs, clocks, stickers, magnets, and more!

We've also added another design to the shop, courtesy of club member Taylor Tobias!

Also, if there's other gear you're looking for to sport our club brand (even if at other eStores), please let us know and we'll check into it!
